DISCLOSEABLE TRANSACTION SUBSCRIPTION OF STRUCTURED DEPOSIT PRODUCTS

SUBSCRIPTION OF STRUCTURED DEPOSIT PRODUCTS

Reference is made to the announcement of the Company dated October 19, 2023 in relation to the subscription of structured deposit products offered by BOC in the total principal amount of RMB230 million (the “**2023 Deposit Products**”).

The Board announces that on March 21, 2024, Chaoju Medical Technology (an indirect wholly-owned subsidiary of the Company) has further subscribed for the Structured Deposit Products in the total principal amount of RMB200 million offered by BOC.

The Subscriptions are funded by surplus cash of the Group and not by the proceeds from the Global Offering.

IMPLICATIONS UNDER THE LISTING RULES

As each of the 2023 Deposit Products and the Structured Deposit Products are subscribed with the same bank (i.e. BOC), they would, in each case, be aggregated and treated as if the subscriptions were one transaction conducted with that bank for the purpose of computing the relevant percentage ratios pursuant to Rule 14.22 of the Listing Rules. As the applicable percentage ratios, on an aggregate basis, in respect of the subscription amount of the 2023 Deposit Products and the Structured Deposit Products at the relevant period, exceed 5% but are less than 25%, the Subscriptions constitute discloseable transactions of the Company and are hence subject to the reporting and announcement requirements but are exempted from the circular and Shareholders’ approval requirements under Chapter 14 of the Listing Rules.
